Phone Number: (619) 241-5164

I design and build websites that are beautiful, clean & professional. In all my work, the client's needs and the users' experience fuel my creativity.

ROCKIN' THE WEB SINCE 1999

Current Employer

[Asset Marketing Systems](#) Sept 2009—present

Web Designer for financial industry marketing firm. Web/Email design, logos/branding, & marketing strategy.

Recent Freelance Clients

[Fight Like A Girl](#) flagtournament.com

Featured on Xbox.com. Cancer research fundraiser logo design and website. "Xbox"-style web interface built on WordPress CMS with integrated Forums.

[Diesel Salon](#) dieselsalon.com

Sleek, modern fashion look with grunge influences for a high-end hair and skin salon. Client updates made easy with Wordpress CMS.

[Knox Services](#) knoxservices.com

Increased clients' awareness of attorney services firm's regional offices and services and through new SEO-focused design concept. Built on a custom CMS.

Skills / Software

HTML/CSS (hand-coded, compliant, cross-platform & semantic), PHP, SQL/mySQL, JavaScript (jQuery), AJAX, Wordpress as CMS, SEO, Optimization, Accessibility

Photoshop, InDesign, Flash, Dreamweaver, Final Cut Pro, Logic Pro, Pro Tools
